Re: Oorah, Inc. v. Kane Kessler, P.C., et al., Civ. Act. No. 1:17-cv-07175

Dear Judge Engelmayer:

We represent Plaintiff Oorah, Inc. ("Oorah") in the above-referenced action, and write on behalf of all parties to this litigation. We respectfully request that the initial pretrial conference currently scheduled for February 9, 2018, be rescheduled to an alternate date, as lead trial counsel for all parties are not available on that currently scheduled date.

Having conferred, counsel are available for an initial pretrial conference on February 14. In the event that date is unavailable, we will promptly meet and confer regarding additional scheduling options.

Thank you for your consideration of this matter.

Respectfully submitted,

Casey J. Hail
